

SCHOOL DISTRICT OF MANAWA

330

CURRICULUM DEVELOPMENT AND EVALUATION

The District's curriculum and instruction programs shall be developed to support the District's mission, to align with Board adopted academic standards, and in accordance with state legal requirements. The Board shall provide the resources to develop and implement the curriculum within the financial capabilities of the District.

Professional staff, under the direction and supervision of the District Administrator or designee, shall be delegated the responsibility for proposing and developing a written, sequential curriculum plan for the District. The plan shall include those subject areas and grade levels as required by state regulations. Each subject area plan shall specify objectives, course sequence, course content, resources, a student assessment process, and an allocation of instructional time. Each plan shall include a program evaluation method which provides that the components of the plan shall be monitored continuously.

Communication and coordination among grade level and subject area staff members shall be emphasized on a kindergarten through grade 12 basis whenever curriculum is developed or reviewed.

All new subject area offerings and substantial additions or deletions to the current curriculum shall be reviewed and adopted by the Board before such courses or changes are implemented in the schools.
