

## SCHOOL DISTRICT OF MANAWA

341.2

### EDUCATION FOR EMPLOYMENT

The Board shall provide an education for employment program for elementary and secondary students which has been developed in accordance with state guidelines and has been approved by the State Superintendent of the Wisconsin Department of Public Instruction.

The program shall provide to all students in grades kindergarten through 12 access to an education for employment program which provides for foundations of good citizenship and which links academic and occupational standards to workplace skills and experiences. The program shall provide information to students at various grade levels as follows:

1. Career awareness at the elementary grade levels.
2. Career exploration at the middle grade levels. Career exploration shall address stereotyping and may include work based learning experiences and career research identifying personal preferences in relation to future work roles.
3. Career planning and preparation at the high school levels, including all of the following:
  - a. Career research identifying personal preferences in relation to specific occupations and school supervised work based learning experiences.
  - b. Instruction in career decision making and employability skills, including work behaviors.
  - c. Instruction which provides for the practical application of academic skills and applied technologies.
  - d. The study of the practical application of economics and American economic institutions, including entrepreneurship education.
  - e. Student access to technical education programs which have a curriculum incorporating accurate national, regional and state labor market information, including labor market supply and demand.

The Building Principal or designee shall coordinate the education for employment program in accordance with state laws and regulations.

It shall be the responsibility of the Building Principal or designee to annually inform students, parents/guardians, staff and the public of District career and technical education opportunities and encourage student participation in such offerings. All District career and technical education opportunities shall be offered to students on a nondiscriminatory basis.

Education for employment program records and reports shall be made, and the long-range plan shall be reviewed and updated as required by the Department of Public Instruction and state regulations.
