

SCHOOL DISTRICT OF MANAWA

342.5

TITLE I PROGRAMS

The Board shall participate in the federal Title I program.

All programs and services provided for Title I students shall be at least comparable to those provided in areas not receiving Title I funds. Also, the District shall ensure equivalency among schools or grade levels within the District in teachers, administrators, auxiliary personnel, curriculum materials and instructional supplies. When determining comparability, the District need not consider unpredictable changes in enrollment or personnel assignments that occur after the beginning of the school year.

The Board recognizes the importance of parent involvement in the Title I program and, therefore, will provide appropriate opportunities for parents to become involved in the design and implementation of the District's program. Specific activities for parent involvement in the District's Title I program shall be developed. These activities shall be reported to the Board.

Any Title I services provided to private school students on site at a private school:

- May be made available only to eligible students;
- Shall be provided through an employee whose employment is under the control and supervision of the Board;
- Shall be secular, neutral and non-ideological; and
- Shall supplement and not supplant private school services.

The Board shall retain control of the federal funds and title to all instructional materials used.
